ADVENTURE CAMP 2017

STAFF

We are proud to have members of our Bright Beginnings faculty, with years of classroom experience, lead our summer camp program. Staff training includes camp safety, activity planning, CPR, First aid and more, making your child's experience both safe and fun. We offer low camper to counselor ratios in order to provide an optimal and safe experience.

ENVIRONMENT

Our summer camp provides both indoor and outdoor activities that utilize the outdoor classroom, playground, picnic area and academic building. Communication is important! We know parents like to hear about camp highlights. A weekly e-newsletter will be sent electronically to parents each Friday.

LUNCH & SNACK

Camper should bring a water bottle labeled with their name. Breakfast, lunch and a daily afternoon snack will be provided each day. Any allergy information and food restrictions will be addressed in detail after the registration process is complete.
